Support McMaster University
The Alumni Association will help the University accomplish its three primary activities – research, teaching and community service – through participating in governance, acting as a vocal advocate and supporting fund-raising.

Involve Alumni
The Alumni Association will act as an agent for alumni involvement within the University, within the activities of the Association and in external activities representing the interests of the Alumni Association.

Recognize Alumni Achievements
The Alumni Association will recognize the achievements of alumni, students and friends of McMaster University, and reward outstanding contributions to the Alumni Association.

Provide Services and Benefits for Alumni
The Alumni Association will provide products, services and benefits that renew and invigorate alumni affinity with the University.

Communicate with Alumni
The Alumni Association will undertake appropriate and timely communication with alumni to inform them of issues affecting the University and the Alumni Association, and to facilitate communications among alumni. The Alumni Association will initiate and pursue an appropriate and timely dialogue with senior officials and faculty of the University.

Involve Current Students
The Alumni Association will encourage current students to become involved in, and assist with activities of the Association to forge an early link with future graduands and it will encourage a lifelong association with the University.
McMaster University boasts 141,672 alumni residing in 129 countries world-wide.

We’re pleased to present the Annual Report of the McMaster Alumni Association. This is a new initiative this year and we hope you will enjoy it. On the following pages you will find information that will enlighten you to the mission and work of the Association’s volunteers and staff and the active participation of our alumni in the many programs and events the Association offers. We invite you to learn more about the Association, the year we’ve enjoyed as well as a glimpse of the year ahead by reading about our new strategic plan. I hope that you will enjoy this report and if you’re not currently active, you will be inspired to become involved.

As I write this, we are gearing up for our biggest alumni event of the year, Alumni Weekend. It’s a rewarding pause though to reflect on the year that’s passed. As always, it’s a busy pace, and the past year has seen the introduction of new programs, a presidential farewell tour that crossed the country (and beyond), and a focus on engagement for alumni and our volunteers. This report will give you the highlights, the numbers and a glimpse of the stories of the Association over the past year. I invite you to ask more questions by contacting us at the Office of Alumni Advancement. We love to hear from you with your news, your feedback and your suggestions.
The Office of Alumni Advancement fosters the interest and involvement of current students and alumni in McMaster University by offering programming and services which further the goals of the University and the McMaster Alumni Association. Annual Giving programs are also the responsibility of the Office of Alumni Advancement.

Strategic Plan Summary

In June, 2009 the McMaster Alumni Association Executive decided to undertake a strategic planning exercise to reinvigorate alumni volunteers and staff and work together to enhance engagement of alumni as a whole. Luanna McGowan, a consultant led the process which involved interviewing a number of stakeholders and bringing the MAA Board of Directors and staff together for a planning session leading to the development of four action plans. The plan is a three-year plan and will be reported on via the MAA Board and future annual reports.

Keeping McMaster Relevant
Provide high quality programs that promote continuing links among alumni, and lifelong relationships between the University and its alumni.

Strategies:
1. Develop, maintain and enhance alumni programs and services that expand engagement opportunities and effectiveness and offer value to alumni in their careers and personal lives
2. Strengthen connections with geographically distant alumni
3. Engage graduate students in value-added and meaningful ways
4. Maintain and enhance evaluation methods
5. Provide alumni with timely updates about the University and alumni program

Student Engagement
Increase student engagement in current and new alumni programs.

Strategies:
1. Cultivate current students to become active future alumni, outstanding university ambassadors, and volunteer leaders
2. Engage students in activities and programs that address specific life stage interests
3. Develop communication vehicles to engage students

Young Alumni Engagement
Cultivate participation of young alumni.

Strategies:
1. Create a sustainable & relevant connection with young alumni
2. Continue to develop and enhance career services programming in partnership with Career Services and Knightsbridge
3. Continue to offer in person opportunities for young alumni to interact with current students, alumni and the University
4. Develop communication vehicles to engage young alumni
5. Develop evaluation/benchmarking for social media

Pride & Participation
Foster pride and participation in the McMaster Alumni Association and University.

Strategies:
1. Recruit, retain and recognize excellence in volunteers as leaders/participants in the McMaster Alumni Association, programs and committees, advocates and ambassadors for McMaster
2. Provide University with advice, support & guidance
3. Have strong, vibrant, focused Executive Committee and a well informed MAA Board
4. Recognize and publicize achievements and contributions of alumni and University
Alumni Engagement survey

In June, 2009 the Association undertook an Alumni Engagement Survey to discover how connected alumni feel to their alma mater, and how they would like to best connect with McMaster in the future. Over 4000 alumni participated in the survey giving us some very useful data to help inform our programming going forward.

- 69% Report strong pride in their alma mater
- 60% Report good awareness of McMaster’s reputation today
- 9% Engaged
- 85% Somewhat engaged
  - Alumni within 10kms of university and international alumni most engaged
  - Health Sciences & Business Grads most engaged
- Alumni 0-19 yrs out and Alumni 50 yrs out most engaged
- Alumni associate most closely with the school as a whole followed by department or program and thirdly, with their faculty
- Initiatives to increase alumni involvement, their activity participation and support or giving will have the most positive overall impact on alumni engagement
Program Highlights from 2009-2010

Discover Psychology: Launched in September 2009 in collaboration with Dr. Joe Kim, Associate Professor from the Department of Psychology, Neuroscience and Behaviour, this series of ten lectures inspired by current Introductory Psychology course material offered a unique opportunity for grads and community members to attend lectures presented by faculty on campus, or participate by downloading the podcast and interacting with the professor during an online chat. The ten lectures attracted 1208 participants, and will be offered again in September, 2010.

Farewell Tour: 2010 marks a milestone in McMaster’s history as we bid farewell to our longest serving president & vice-chancellor, Dr. Peter George after 45 years at McMaster and 15 in the top position. Dr. George’s Farewell Tour offered alumni a chance to hear Dr. George’s reflections on his presidency and the opportunity to wish him well in retirement. Events were held in Brantford, Ottawa, Beijing, Shanghai, Hong Kong, Toronto, Montreal, New York, Calgary, Vancouver, Victoria, Mississauga, Cambridge, and of course, Hamilton. There’s even a tour t-shirt!

Mission to Mac 09 & Welcome Backs: Student Send-off “Mission to Mac” events were held in 16 hometowns for incoming students where students and their families learn tips from recent grads and current students to help them transition to University with the best possible start. Almost 1,000 participants attended a send-off in 2009 – a 77% increase over the previous year. Following on from the Student Send-Off program, we held our first Welcome Back Patio Parties to welcome ‘just graduated’ alumni back to their hometowns in Summer 2009.

MAC in a Minute & Social Media: Our online presence was significantly enhanced this year with the introduction of some new media. Our popular video series, ”Mac in a Minute” features highlights from recent events as well as people and places on campus. In addition, our entrance onto Twitter, LinkedIn and increased activity on facebook demonstrate a commitment to communicating with alumni in ways that are engaging, convenient and timely. We’re also making it easier for alumni to catch an event or lecture they weren’t able to attend in person by posting lectures on iTunes and videos on McMaster UTv.

Events in 2009-2010 – More than 9,920 alumni attended 157 various events held between June 2009 and May 2010.
Congratulations Distinguished Service Award winner
This is the highest volunteer award given by the McMaster Alumni Association.
Recipients of the Distinguished Service Award have made outstanding contributions and shown extraordinary dedication to the Alumni Association.

Dr. James (‘Si’) Taylor BA ’51, LLD ’89
Dr. Taylor’s student days at McMaster were marked by academic excellence and volunteerism. He undertook an ambitious career as a Canadian diplomat. During his time as McMaster’s Chancellor from 1992-1998, Dr. Taylor served as ambassador for McMaster with both internal and external communities. Dr. Taylor’s career of leadership, service and his dedication to McMaster are recognized by this honour.

Congratulations to our Arch Award winners
The Arch Award recognizes McMaster’s most recent graduates who have made significant and notable academic, professional or personal achievements.

Provide **Services & Benefits** to Alumni

The Finance Committee of the MAA is responsible for managing the services and benefits portfolio and introducing new partnerships to provide valuable products and services to alumni. In Spring 2010, a new online career resource tool, Careego, was introduced to service McMaster alumni who graduated more than five years ago.

**Careego – Active Career Management – NEW!**

This interactive online community offers career-minded professionals support on every level, from video advice by career experts, in-depth personal assessments, how-to guides, career-focused podcasts, to an expert blog and access to Careego’s unique on-call career coach.

**Home & Auto Insurance – TD Insurance Meloche Monnex**

Since 1991, TD Insurance Meloche Monnex has provided McMaster alumni with home and auto insurance at group rates with the best service possible. TD IMM has supported the Association through sponsorships of events and programs through this partnership.

**Life, Health & Disability Insurance – Manulife Financial**

Manulife Financial has offered comprehensive insurance at preferred rates to McMaster alumni for over twenty-five years. The insurance available includes: Member & Spouse Term Life Insurance, Child Life & Accident Coverage, Income Protection Insurance, Major Accident Protection Insurance and Health & Dental coverage. Manulife sponsors our Milestones program where alumni receive a small gift when they let us know about milestones in their life, such as a new baby.

**McMaster MasterCard – BMO Bank of Montreal**

McMaster students and alumni have been carrying a McMaster MasterCard for over twenty years. The MasterCard offers cardholders great choice of card features such as the ability to earn AirMiles without any annual fee and for students, the SPC card included with their MasterCard. Using the McMaster MasterCard to make purchases earns revenue for the Alumni Association at no extra cost to the cardholder!

**On-Campus Services**

Over 300 alumni were assisted over the past year by the Alumni Career Coach program. Many alumni continue to come back to campus to enjoy the University Club, work out at Athletics & Recreation and make use of free alumni access to the Library.
