Student Success Centre Appointments Overview

Welcome to OSCARplus - McMaster’s on-line appointment booking system.

The Student Success Centre (located in Gilmour Hall 110) is committed to assisting McMaster Students.

Currently, we are offering undergraduate students access to arranging appointments on-line for some services.

Schedule an appointment to:

- Have your resume and cover letter critiqued by a Student Success Leader
- Learn how to use OSCAR effectively in your job search
- Learn how to use InterviewStream to prepare for an interview

To access counselling appointments please come to our office and speak with an Advisor. These appointments cannot be booked online.

When booking an appointment, remember McMaster’s Accountability Policy which requires you to cancel appointments online up to 24 hours in advance without penalty. Within 24 hours, call our office to cancel your appointment.

Part-time students (less than 18 units per term) must purchase a Part-Time User Card, available in the Office of the Registrar.
