Scottish Isles and Norwegian Fjords
Scotland • Norway • Denmark

A voyage aboard the Exclusively Chartered Five-Star M.S. Le Boréal

June 1 to 9, 2017
Dear Alumni & Friends of McMaster University,

Across the length and breadth of Scotland and Norway lies an unsurpassed richness of archaeological heritage left from the age of the Vikings and before, where ancient stone monuments and settlements present an enigmatic and imposing face to the world. Explore this fascinating land of ruins and old-world villages, Viking and Celtic clans and the spectacular natural beauty of misty isles, wild glens, lochs, moors and Norway’s stunning fjords. Hear the Gaelic language, still spoken in the Scottish Highlands, where the history of those who lived here for centuries emanates from the heather-covered hillsides. Experience these remote gems of the North Atlantic on a journey to the distant and mysterious islands along the idyllic seascapes and splendid coastlines of Scotland, Norway and Denmark.

Our rare and specially designed itinerary follows along the stepping stones of Nordic and Scottish civilizations during the best time of year, when the weather is mild and the days are long—a unique voyage accomplished only aboard a small ship accessing smaller ports where larger vessels cannot venture. The exclusively chartered, Five-Star M.S. Le Boreal, which features only 110 deluxe Suites and Staterooms and provides all the luxury and sophistication of a fine hotel, is ideal for navigating the course of this unique itinerary.

Cruise from Glasgow to Copenhagen, two great cultural capitals; visit two UNESCO World Heritage sites and the most seldom-visited islands of the North Atlantic; and see the incredible natural wonders of Scandinavia. Travel through the Scottish Highlands aboard The Jacobite steam train, better recognized as Harry Potter’s Hogwarts™ Express, and marvel at Norway’s spectacular mountain landscape aboard the Flåm Railway—two of the greatest railway journeys in the world. Cruise the majestic Sognefjord, admire the natural beauty of the Shetland Islands with their remarkable links to the distant past, and learn more about Viking history on the tradition-steeped Orkney Islands. Traverse the ancient shipping lanes of the Vikings as you cross the North Sea to historic Bergen, and en route to Copenhagen, admire picturesque settlements dotting the lovely Norwegian coastline and its scenic archipelago.

Join us for this exceptional voyage of a lifetime! This popular travel program sells out quickly, so book now while space and Early Booking Savings are still available!

Warmest regards,

Director, Alumni Advancement
During the enigmatic Viking Age, which prevailed almost 300 years between the eighth and 11th centuries, the Men of the North were cast as fierce barbarians who plundered their way across the known world. They came from Norway to settle in Scotland around A.D. 800—in Jarlshof on the Shetland Islands and in the Hebrides, where over 100 villages still are known by their originally settled Norse names, solidifying the enduring historic link between Norway’s Vikings and Scotland’s clans. Some of Scotland’s best-known clans, like Clan Donald and Clan MacLeod, came from Norse ancestry, and the unique dialects still spoken today on the Orkney and Shetland Islands were influenced by their status as earldoms of Norway until 1468. The complexity, nuance and rich history of these two distinct yet deeply intertwined cultures await your discovery across these remote, verdant and storied lands.

Canada
Thursday, June 1
Depart Canada.

Glasgow, Scotland
Friday, June 2
Arrive in Glasgow, a dynamic Scottish city where the indelible mark of Viking conquest still permeates the art and culture. Transfer to the Five-Star M.S. Le Boreal and embark to the evocative melodies of a traditional bagpiper.

Scottish Highlands/Oban/Fort William/The Jacobite steam train/Mallaig
Saturday, June 3
Enjoy a full day’s journey experiencing the rich, resplendent beauty of the legendary Scottish Highlands. From Oban, travel along the picturesque, castle-dotted shores of Loch Linnhe to the splendour of majestic Glencoe—Scotland’s most scenic glen, much of which is owned and preserved by the National Trust for Scotland. After lunch in Fort William, board The Jacobite steam train—immortalized as the Hogwarts™ Express in the Harry Potter film series—for “one of the great railway journeys in the world” through awe-inspiring natural landscapes. Board in the shadow of Ben Nevis, the highest mountain in the British Isles, and travel past Loch and River Morar to Mallaig near Loch Nevis, the deepest seawater loch in Europe. Along the way, stop at the bucolic village of Glenfinnan, where Bonnie Prince Charlie rallied Jacobite Highlanders against King George II in 1745.

This evening, before the Captain’s Welcome Reception, the Ness of Brodgar archaeological site director and head archaeologist will introduce and provide insights about this impressive ancient compound that lies outside of Kirkwall.

Kirkwall, Orkney Islands
Sunday, June 4
Nearly 1000 years before the pharaohs built Giza’s pyramids and over 500 years before Neolithic man raised Stonehenge, ancient inhabitants of this archipelago employed technological prowess centuries ahead of their time to erect Ness of Brodgar.

Cover: Admire traditional farms and villages flanked by soaring mountains as you cruise the Sognefjord, Norway’s longest and deepest fjord.

Photo this page: The Jacobite steam train, renowned as the Hogwarts’ Express in the Harry Potter film series, travels over the 21-arch Glenfinnan Viaduct as it passes Loch Shiel in the breathtaking Scottish Highlands.
Today, this mysterious compound rivals the scale of the fifth-century B.C. Athenian Acropolis, though it was constructed nearly three millennia earlier. Nearby, walk around the stone monoliths of the Ring of Brodgar, which were raised more than 4000 years ago to chart the seasons.

See the ceremonial Stones of Stenness en route to visit the settlement of Skara Brae. Archaeologists suggest these sites, along with the Ness of Brodgar, were inhabited by an early Orcadian culture known for decorative arts and sophisticated craftsmanship. Pilgrims and traders carried the Orcadian innovations to the mainland and beyond—making Orkney not just a remote scatter of islands but rather a hub of Neolithic civilization.

Thousands of years later, the Vikings established the port town of Kirkwall on Orkney’s main island, leaving behind the towering 12th-century St. Magnus Cathedral, known as the “Light of the North.”

Hear the classically haunting sounds of a traditional Scottish bagpiper as you reboard the ship. This evening, listen as a Scottish storyteller weaves the traditional stories that have been handed down by word of mouth for generations in these remote isles.

**Lerwick, Shetland Islands**

**Monday, June 5**

Dock in Lerwick and explore the majestic Shetland Islands, declared a Global Geopark by UNESCO for their geologically diverse landscapes and seascapes carved and shaped by ice. Admire nature’s endlessly changing colours and textures, and listen for the clamour of gannets and puffins crowding the dramatic sheer rock cliffs.

Though remote, these islands have a unique 6000-year-old culture, where Scotland meets Scandinavia at this North Atlantic crossroads and legacies linger in the fascinating archaeology, dialect and traditional music. From Lerwick, the capital of Shetland, journey to the island’s southernmost point, scanning the verdant landscape for Shetland’s famous ponies grazing on the rolling, grass-covered knolls. Visit Jarlshof, a pending UNESCO World Heritage site and an extraordinary settlement revealing 5000 years of human history, including late Neolithic stone houses, a Bronze Age village, an Iron Age broch and wheelhouse, Norse longhouses, a medieval farmstead and a 16th-century laird’s house.

The ruins at Jarlshof evoke thousands of years of civilization, from the Neolithic to the Middle Ages.

The chromatic wooden buildings of Bergen’s Bryggen (the old wharf), a UNESCO World Heritage site, harken back to the city’s historical role as one of northern Europe’s oldest trading ports.
Cruising the Norwegian Fjords/Flåm Railway, Norway
Tuesday, June 6
Norway’s fjords and islands offer some of Europe’s most phenomenal coastal scenery, where sea mist, shafts of sunlight and vivid rainbows congregate in a dazzling array of colours that seem to make the landscape greener and the fjords bluer. Be on deck while cruising the majestic Sognefjord en route to the charming town of Flåm, passing traditional farmsteads and villages flanked by soaring mountains. Upon arrival, board the Flåm Railway, “one of the world’s most scenic train rides.” This masterpiece of Norwegian engineering—the steepest standard-gauge railway track in Europe with an impressive elevation difference of 864 metres—opened to the public in 1940 and travels 21 dramatic kilometres through 20 tunnels to the mountaintop train stop of Myrdal. Enjoy stunning views of snowcapped mountains, cascading waterfalls—including the awe-inspiring Kjofossen—and picturesque hamlets along this alpine branch of the world-renowned Bergen Line.

Bergen
Wednesday, June 7
The city of Bergen was founded on an old Viking settlement in 1070 and has a proud history as an important part of the Hanseatic League’s trading empire from the 14th to mid-16th centuries. Enjoy a walking tour of Bergen’s Bryggen (the old wharf), a UNESCO World Heritage site that proudly displays its characteristically colourful wooden houses. See Troldhaugen, the summer home of Edvard Grieg, Norway’s most famous composer, and walk the grounds of his estate. Then, visit the reconstructed Fantoft Stavkirke, a traditional 12th-century wooden stave church, named for its post and lintel construction. Enjoy the afternoon at leisure in Bergen. Early this evening, be on deck while we cruise pristine cobalt blue waters through Norway’s picturesque southern archipelago, once plied by Viking longships and dotted with verdant islands, quaint villages and traditional Norwegian farms.

Cruising the North Sea
Thursday, June 8
Spend the day at leisure cruising the North Sea and enjoying a series of lectures. This evening, attend the Captain’s Farewell Reception.

Copenhagen, Denmark/Canada
Friday, June 9
Arrive in Denmark, long considered the spiritual and historic home of the Vikings and from where their intrepid predecessors once sailed—the Angles, Saxons and Jutes. Disembark in Copenhagen and continue on the Post-Cruise Option to further explore the rich heritage of the Danish capital; or, transfer to the airport for your return flight to Canada.

The natural wonders of Norway’s spectacular cobalt fjords share the picturesque landscape with charming farms and quaint fishing villages.

Indigenous Shetland ponies are a strong, unique breed with heavy coats and a maximum height of only 111 centimetres.

Enjoy a phenomenal journey through the verdant, mountainous fjordlands of Norway aboard the Flåm Railway, named “one of the world’s most scenic train rides” by readers of Travel + Leisure magazine.
